Management Conclave

on

Seeking Excellence in Challenges.

Date: 13th-16th February 2013

Venue: SCMS NOIDA, Sector 62 NOIDA

ABOUT THE UNIVERSITY

Symbiosis has been in the business of management education since 1978. An idea of 'Symbiosis' was conceived by Founder Director of Symbiosis and Chancellor of the Symbiosis International University, Dr. S.B. Mujumdar in year 1971, which means 'living together of two different organisms for mutual benefit'. Therefore, the main dictum at Symbiosis is "Vasudhaiva Kutumbakam". Indeed, the motto is aptly justified in Symbiosis' functioning pattern as it proves to be a ground that nurtures and cares for all students immaterial of their backgrounds.

Symbiosis today comprises more than 40 institutes imparting training in diverse disciplines. It has students who hail from all states of India and 74 different countries. Symbiosis is known to be a Multicultural, Multi lingual and Multinational institution. An institution where law is the religion and freedom of thought and expression is the spirit. Where equality is not preached but practiced. Where Innovation, Passion and Compassion is nurtured. The University as an institution expects from itself nothing less than the absolute best.

ABOUT SCMS,NOIDA

Symbiosis Centre for Management Studies , NOIDA, began its operations in December 2010 .Based in the National Capital Region, it is currently facilitating imparting of quality management education at the undergraduate level and aims to be one of the best Management Education Providers in the region, providing relevant, contemporary and practical education along with core conceptual inputs

ABOUT THE CONCLAVE

- Deliberating on policy and regulatory environment that poses opportunities and challenges for the players in the industry.
- Understanding the managerial challenges faced by the industry in various management disciplines like project management, operations, distribution, marketing, financing, pricing etc. especially in the light of changing competition, environmental awareness and future competing products.
- To forecast the future trends in the industry globally and in India.
